Each ninth grader must register online for the five required subjects listed below. Each student will also have the opportunity to choose up to two additional classes each trimester. Elective options are listed on the back of this form. Students may choose one study hall each trimester as one of their two options. Study Halls are highly recommended for 9th grade students who benefit from a structured setting in which to complete homework and get assistance from teachers.

The registration links at <https://tinyurl.com/Reg2022-23> will include our Registration Course Guide, registration instructions and instructional/informational videos.
